

**Bedworth Disabled Swimming Club**

**Kay Clarke Memorial Gala**

**Programme**

**Bedworth**

**5th December 2015**

Today's gala is the second named in memory of Kay Clarke. Kay was a Bedworth Disabled Swimming Club Committee member and was very involved with the club for over 30 years, until she sadly passed away in June 2012 from cancer. She is very much missed by everyone at the club and the gala is in honour of all of Kay's hard work. Kay would have been very proud to have the gala named after her and even prouder of everyone who is involved and taking part. Three of her grandchildren, Andy, Ryan and Kayleigh Clarke have clubbed together to give a special prize to a swimmer today. More information will be given during the gala.

A very warm welcome to all the swimmers from:

Coventry Phoenix  
 Coventry Special Olympics  
 Leicester Kingfisher  
 Solihull Special Olympics  
 Tamworth Unicorns  
 Woodlands School

## The Structure of the Gala

### Classification

Briefly, swimmers have been classified by their clubs as

Group A Disability that does not affect swimming strokes

Group B Disability that does affect swimming strokes, but can participate with minimum assistance

Group C Very severe disability (carers allowed in the water)

### Seeding

Swimmers have been seeded to give a competitive swim. There are no finals and so swimmers in races with heats should be aware that medals are awarded on a time basis. There are gold, silver and bronze medals for each race number and class. All heats will be "spearheaded" where the fastest are placed in lanes in the following order; 3,4,2,5,1,6 unless the hoist is required.

### Strokes

Front: Any stroke on the front (ie backstroke is not allowed - it is not a freestyle race).

Back : Any stroke on the back. Please remind swimmers to stay on their backs until the very end of the race.

### Relays

Please keep to the entry criteria. Non-competitive teams are welcome in order to allow participation but will not qualify for medals. Please make sure that you declare non-competitive teams.

### Lanes

All individual starts are in the water at the deep end of the pool. All relay starts are in the water at the shallow end of the pool. Consequently all finishes are at the shallow end of the pool.
