

PROUDLY SPONSORED BY

On behalf of Down Syndrome Swimming Great Britain (DSS-GB), we are delighted to invite you as an individual or a club to attend the British Down Syndrome Swimming Championships taking place on 19<sup>th</sup> and 20<sup>th</sup> November 2022.

Down Syndrome Swimming Great Britain (DSS-GB), is a volunteer led charity enabling children, young adults and adults with T21 or Mosaic Down syndrome to reach their potential as elite swimmers, giving them the opportunity to compete at national and international level.

DSS-GB aims to be the leading voice for aspiring swimmers with Down syndrome who wish to compete at National and International level.

Part of our remit is to be the force in identifying future swimming talent amongst those with Down syndrome within Great Britain and as such are proud to announce that we shall be hosting The British Down Syndrome Swimming Championships in November. This event will take place at K2, Crawley over 2 days from 19<sup>th</sup> to 20<sup>th</sup> November 2022.

It is open to all British swimmers with Down Syndrome and swimmers of all abilities are encouraged to enter. Novice to Elite, 25m to 1500m. All race disciplines and distances. Age 10 and above.

We are excited to announce that Entry Packs are now available should any of your swimmers, or swimmers that you may know, wish to take part in what we believe will be the first of its kind in Great Britain. We are also looking for volunteers to support us on the day and should this be of interest, you will also find volunteer packs on the link below.

Please follow this link to gain access to all the relevant information. <https://www.dss-gb.org/sign-up/>

You may, of course, have registered/entered your swimmers with us already and forgive us for including you in this generic email.

Lastly but not least, these Championships would not be possible without the incredible support and sponsorship of Powerday Foundation and Keltbray.

If you have any questions, please do not hesitate to contact us on this email.

Looking forward to seeing you at the Champs.

Regards

British Down Syndrome Swimming Championships
