Thank you

Thank you to everyone in our amazing gala team.

Barbara and Marie made £106.80p on the tombola.

A couple of apologies

We were not aware that the drink and snack machines were not working or that the café would be closed.

The presentation was rather chaotic. We had to move from the café because of numbers. We will have to think again on that one. If we had enough helpers we could give medals out as we go along.

And explanations

There were no swimmers repositioned for infringements unless they were major enough to affect the result of the race. However, this is a friendly gala and in other situations there would have been DQs for turning before the finish in backstroke, pulling the lane rope, jumping from the pool floor, letting go of the wall before the start signal and stroke violations! If any of these are you please work on it! Thank you to the swimmers who stayed in the water at the end of the race so that the timekeepers could do their job. Good manners too!

A few mentions

Well done to swimmers in their first gala.

Good sportsman/womanship from Adam Gardner and Leanne Gardner for standing in for missing relay swimmers.

Ella Newitt swam brilliant butterfly (faster than her front crawl).

Congratulations to Will Newton and Josh Bailey for setting new meeting records.

And lastly

The new eight lane training pool being built to replace this one is very unlikely to be able to host galas and so we may have to use another location in the future.

Found: A pair of blue/pink Childrens' Zoggs (Claim from me, Sheila)
